Applying for a Direction d’études

Each candidate must register on line using the application form no later than midnight of Friday the 3rd of November 2017. Registration as a candidate for the recruitment campaign using the online form is obligatory and also allows us to contact you to set an appointment to turn in your application file if necessary. These are the documents that must be included when you register on line in order to validate the operation:
- research project
- CV
- 2-page summary of CV/research project (“recto/verso”)

Submission of dossiers: Application dossiers may be submitted in person to the school or sent by post.

- Submission in person must take place no later than 4:30 pm, Friday the 3rd of November 2017
- Dossiers submitted by post should be postmarked no later than midnight of Friday the 3rd of November 2017, and sent to the following address:
  École des hautes études en sciences sociales
  Bureau du recrutement
  Recrutement des directeurs d’études
  54, boulevard Raspail
  75006 Paris

Attention! Only complete dossiers submitted or sent by the deadline will be processed.

Application Dossier: Candidates must provide 3 hard copies and one copy in PDF format of their complete dossier (on USB key or CD-ROM). It should be submitted in person or sent to the EHESS by Friday the 3rd of November 2017, and should include:

1) A Letter of Application addressed to the president of the EHESS, signed and dated.

2) A complete Personal Details Forms signed and dated.

3) A detailed Curriculum vitae (no more than 10 pages), which must be typewritten and dated, without photograph, and should contain the following information:
   - Full name and date of birth
   - Postal address
   - Email address
   - Telephone number(s)
   - University diplomas:
     - Candidates must provide all foreign diplomas in their original language and in French translation
     - Candidates should include with their PhD certificate a list of jury members
       - The experience of the candidate, including their current post, in the domain of teaching and research as well as other forms of professional experience
       - Academic career
       - Other activities
       - A chronological list of publications and research works

4) Research and Teaching Project: typewritten and dated, with your full name, it should be no less than 8 and no more than 10 pages (between 24 000 and 30 000 characters) long and include a concise title. The latter will be become the permanent title of the direction d’études of successful candidates. Candidates are advised to closely link their research project and proposed teaching program.
5) A summary on a single recto-verso sheet of A4 of the dossier, with your full name and in French, including:
   - On the recto, key information from the curriculum vitae;
   - On the verso, salient features of the research and teaching project.

N.B: These two pages should be composed of around 5 000 characters.

6) Copy of the highest diploma obtained, (original and French translation if obtained outside France)

7) Candidates who are holders of a habilitation in research supervision should provide:
   - Their mémoire de synthèse (summary of research works) with all visual and recorded support materials in digital format;
   - Their jury report, including the names of all jury members.

8) A selection of publications with a maximum of 5 books and 10 articles.
   - Publications which have yet to appear must be appended by an attestation from the publishing house or editorial committee concerned.
   - Titles which have been published in digital format and validated by a competent academic authority may be included with the dossier.
   - Other scientific productions (films, databases, software, etc.) may be included with the dossier in digital format (CD, DVD-ROM, USB Key).

9) A list of works, publications and scientific productions contained in the dossier

Please consult the checklist below to ensure that you have included all the relevant documents:
