AGORAKADEMI

EUROPEAN VALUES: FREEDOM AND RELIGION

The **AgorAkademi** project, in collaboration with **Comenius - European Values Leadership Course in Paris**, will discuss the value of freedom and religion, and to what extent the principle of freedom as a contested value participates in creating common norms in European agoras.

The Comenius course, with a total of 15 participants, takes place in various European cities to explore shared fundamental values - namely democracy in Athens, human dignity in Berlin, and Freedom in Paris.
