FIRST ADDENDUM

to
MEMORANDUM OF UNDERSTANDING
FOR ACADEMIC AND SCIENTIFIC COOPERATION
between
THE REGENTS OF THE UNIVERSITY OF MICHIGAN
on behalf of its
COLLEGE OF LITERATURE, SCIENCE AND THE ARTS
and
THE ECOLE DES HAUTES ETUDES EN SCIENCES SOCIALES

THIS FIRST ADDENDUM TO MEMORANDUM OF UNDERSTANDING FOR ACADEMIC AND SCIENTIFIC COOPERATION ("First Addendum") is made between the Regents of the University of Michigan, a Michigan Constitutional corporation, on behalf of its College of Literature, Science, and the Arts ("UMLSA"), and the Ecole des Hautes Etudes en Sciences Sociales ("EHESS"). For the purposes of this First Addendum, "Home Institution" refers to the institution sending visiting graduate students and/or faculty; "Host Institution" refers to the institution that receives visiting graduate students and/or faculty.

WHEREAS, the Parties entered into a certain Memorandum of Understanding for Academic and Scientific Cooperation ("MOU") effective _28/01/, 2016, and,

NOW, THEREFORE, the Parties wish to supplement the MOU, effective immediately, as follows:

I. UMLSA and EHESS recognize the value in supporting opportunities for their graduate students and faculty to spend time at each others' institutions. This First Addendum outlines each institutions responsibilities in hosting such visitors. This First Addendum does not override any of the Host Institution's policies or procedures regarding visiting scholars, but simply serves to clarify points of particular note.

A. **Application Process**

1. All applications of interested faculty or graduate students from either Home Institution to visit the Host Institution will be considered by the Host Institution on a case-by-case basis. PhD students must be recommended for visits by their doctoral supervisor, and accepted by the Host Institution. This First Addendum does not guarantee visiting PhD students or faculty acceptance by the Host Institution; the Host Institution reserves the right of final approval on the acceptance of visiting PhD students or faculty.

2. EHESS faculty or PhD students interested in visiting UMLSA will first identify a UMLSA faculty member and apply directly to the UMLSA department or research unit. Hosted EHESS faculty and students will be
subject to normal University of Michigan and UMLSA policies and procedures.

3. UMLSA faculty interested in visiting EHESS will apply directly to the EHESS research officer in charge of the MOU according to the policies and regulations in force at EHESS. UMLSA PhD students interested in visiting EHESS will first identify a host supervisor at EHESS with the help of the host institution and apply to that supervisor's specific department.

B. Health Insurance Coverage. Faculty and PhD student visitors must have health insurance coverage for themselves and all accompanying dependents for their entire stay at the Host Institution, compliant with the requirements of the relevant authority in the Host Institution’s country. If the visiting participant’s health insurance does not meet these specific requirements, the participant must purchase health insurance immediately upon arrival to the Host Institution. Neither UMLSA nor EHESS bears any responsibility for the payment of health and related accident insurance costs for visiting participants, including compensation for illness and injuries that occur while on the Host Institution’s campus.

C. Resources at Host Institution.

1. Faculty. When possible, the Host Institution will provide appropriate working space and access to library, computational, network, and related facilities. The number of the stays and the financial terms are determined by mutual agreement of the parties.

2. PhD Students. Affiliations and facilities for PhD students from either Home Institution will be considered on a case-by-case basis by the Host Institution and will be subject to acceptance by a specific department or other responsible unit of the Host Institution. The Host Institution is not responsible for the financial support of visiting PhD students. PhD students are responsible for all additional costs involved in their visit, including transport, accommodation, food, medical insurance and other costs, unless one of the institutions or both agree in advance to contribute to such expenses.

   a. At UMLSA, FHSS PhD students may engage in independent research under the supervision of a UMLSA faculty supervisor. EHESS PhD students will not register or formally enroll in classes, are exempted from paying enrollment fees at UMLSA, and will not receive a University of Michigan transcript under this visiting program. EHESS PhD students are responsible for obtaining the required entry or residency visas in their country of origin if necessary.
b. At EHESS, UMLSA PhD students may engage in independent research under the supervision of an EHESS faculty supervisor and are welcomed in a center of research. UMLSA PhD students will be registered as non-degree visiting students ("Recherches doctorales libres") and will be responsible for obtaining the required entry or residency visas in their country of origin if necessary. The UMLSA PhD students are exempted from paying enrollment fees at EHESS, but may be required to pay to maintain registration status in their program at UMLSA. The UMLSA PhD students will not receive a transcript from EHESS under this visiting program. EHESS will provide each UMLSA PhD student with an ‘audit report’ documenting all courses attended during their time at EHESS.

2. All other terms, conditions, and provisions of the MOU shall remain in full force and effect. To the extent of any conflict between this First Addendum and the MOU, the terms of this First Addendum shall control.

THE REGENTS OF
THE UNIVERSITY OF MICHIGAN

James Paul Holloway
Arthur F. Thurnau Professor
Vice Provost for Global and Engaged Education

Dated: May 4, 2016

THE UNIVERSITY OF MICHIGAN
COLLEGE OF LITERATURE, SCIENCES AND THE ARTS

James Penner-Hahn
Associate Dean
